

Resource NC Position Details

Summary	• Track SARES operators traveling to event. • Track arrived SARES operators from parking to staging area. • Perform periodical health and welfare checks as necessary.
Assigned Area	• Home station.
Reporting Issues	• Life threat: call 9-1-1. • Call SARES AEC listed on ICS-205.
Additional Information	• Operators shall be checked out of resource net only once they have checked in at staging. • Some operators might park in a parking garage where radio coverage might be problematic. You need to account for this. • Parade riders are going to the parade start location (Sunnyvale Library) rather than staging. • Please scan and email paperwork after the net closes so we know who should get credential credit.
